Seems like a clarification is definitely needed.  
Thanks.

OCSPers,

**On its face, the sentence added is true;** however, want to ensure all is understood b/c this is a key area criticism by certain stakeholders

**Deliberative Process / Ex. 5**

In the earlier version, this was all laid out, but it gets a bit long and “in the weeds”. For convenience, here is what was previously in the letter that explains this:

**Deliberative Process / Ex. 5**

# Deliberative Process / Ex. 5

Let us know if you would like this put back in

Here is the draft letter. One question for the OCSPP team, otherwise please provide all edits to Tom Tyler, Acting COS for OCSPP. Aaron we'll work with you to ensure it is ready to go up to the Hill when you say.

Also, looping in the OPA team. Might be worth having a press statement in the hopper refuting a lot of what we know is going to come out of the hearing for release right before it begins or immediately afterwards.

So far I'm hearing it will be:  
Teachers union- PCBs, lead in schools  
Firefighters- PFOA  
UAW-framework rules  
Academics (likely David Michaels)

I'm checking with OCR I would like to have a statement or some document that we could produce providing our point of view on the subject of the hearing.

My understanding is that they don't intend to invite EPA.
